HOTELIERS

GROUP BENEFITS FOR HOTELS

PUHL EMPLOYEE BENEFITS INC.
a benefits management company

Allow us the opportunity to give you a second opinion on your current group plan.

In two short years, millennials will make up more than half the workforce, and the first wave of Generation Z workers are right behind.

The Hoteliers plan(s) are designed to reach these important employee groups. Now is the time to review your benefit plans to the new employee reality.

The Hoteliers plan(s) are here for you.

The Hoteliers Group Benefits Plan

The Hoteliers plan(s) are specifically tailored for the Hotel Industry. The goal is to help franchisees create a benefits package to attract and keep the employees needed to run a successful hotel.

The Hoteliers plan(s) are designed to manage employer costs while delivering quality employee benefits.

Allow us the opportunity to give you a second opinion on your current group plan.

PLAN DESIGN CHOICES

Traditional

Designed to provide the employees with the traditional style of group coverage.

Flexible Spending Account

Customized by the employer, with a designed dollar amount for claims, allowing the employee to claim what they need, when they need it.

Hybrid

Designed with the employer to mimic the concept of a traditional plan with the employer control of the flexible plan.

Call today for detailed information on the Choice Hotel design options!
